His Honour Judge Vance addressed the Council in connection with regard to a case which came before him a short time ago when he had to commit a boy named Percy Howlett to the Victoria Industrial School, this boy had been a resident of Toronto but not agreeing with his family he came to the Township of Erss, he remained there only one week when he stole considerable money and a horse, after a short time he was arrested and came before him and as the boy was only 13 years of age he had committed him to the Victoria Industrial School. In doing so he did not state to what ^{resident} Municipality his expenses should be charged to, in one sense he might be called a citizen of Simcoe but as he was only one week in the County of Simcoe it would hardly be fair that his expenses should be charged against it, He advised the Council to take some proceedings to have a term fixing the date making a person a ^{resident} citizen of the County.

Council Chamber Toronto
November 23rd 1918

The Council met in accordance with adjournment from the June session
The Warden in the Chair

All members present. D. A. B. Cunningham, Chairman

Moved by Mr. Coleman and seconded by Mr. Todd and ordered

That the reading of the minutes of the June session of this County Council be dispensed with and that the said minutes as entered on the minute book and printed are hereby declared to be conforming as the minutes of the said session

The Warden addressed the Council congratulating the members on their all being present and in a healthy condition he regretted that the peace destroyer had dealt heavily with the families of some of our officials in the person of our Treasurer Mr. Dumbauld in the loss of two brothers and in the person of Mr. Johnston Reeve of Orillia in the loss of two children. He was pleased to state that the terrible war which has been devastating the world for over four years was practically at a close and he suggested that a thanksgiving service be offered by this County Council to Almighty God for the glorious victory given to the Allies. He felt proud of the action of the County of Simcoe in the manner in which the young men of the County enlisted to defend the Empire of which we form a part and the generous manner in which the citizens subscribed to all Patriotic purposes.

Moved by Mr. Banting and seconded by Mr. Fleming and ordered
That this Council is desirous of expressing their thankfulness to the Almighty for the glorious victory achieved

Therefore be it resolved that this Council do invite the Clergyman of Parochia to meet with us in this Council Chamber tomorrow at 2 pm for the purpose of expressing our gratitude to an all wise Providence in granting to our arms the victory and furthermore that the Warden, Councillors Stewart and Sheehan be a Committee to arrange for same

At the request of the members of the Council His Honour Judge Vance
