Moved by Councillor Moore, and seconded by Councillor Hurl,

That this County Council considers the action of the Provincial Government in abolishing the office of 2nd Deputy Reeve too short a step as it were to be productive of beneficial results, and would recommend that they go further and seriously consider the advisability of still further reducing the personell of the County Council, approximately 50%, make it possible to reduce representation in other Municipal bodies, and still further consider the reduction of representation in the Provincial Legislature.

Moved by Councillor Logman, and seconded by Councillor Blair, in amendment.

That the Motion be referred to the January session.

That the thanks of this Council be tendered to his Worship, Warden Glover, for the pleasing and efficient manner in which he has presided at the Sessions of this Council during the year 1931.

J.E. Jamieson, M.P.P. South West Simcoe, addressed the Council and stated he was pleased with the way the Council transacted the business of the County.

He stated that the Ontario Government was deeply concerned about the welfare of the Roads and Highways in the Counties and was anxious to keep road expenditures within the ability of the Municipalities to pay. In his opinion, the license for motor cars was high enough, and to increase the gas tax would not be satisfactory as it would tend to bootlegging in gasoline.

Moved by Councillor McKnight, and seconded by Councillor Jebb, and ordered.

That the Council do now adjourn sine die.

Judge Holmes, held special court to administer the declaration of office to the Warden elect.

His Honour, Judge Holmes, then addressed the Council and expressed his appreciation at being asked to officiate at the installation of the Warden.

The Warden should be a proud man at being elected, for two reasons, by being honoured by his colleagues and being elected Warden of the second largest County, by way of population, in the Province.

The Warden had great responsibilities and he felt sure he would measure up to all occasions.

The Warden then took the Chair.

The Warden addressed the Council, and on behalf of the Village of Beeton and

himself, he heartily thanked the members for the honour conferred on him. He had always received the best treatment from the Council and trusted that his year as presiding officer would be satisfactory to them. It would be his endeavour to be fair and just on all occasions.

The Rev. Mr. Wall, on behalf of the Ministerial Association of Barrie, read a portion of the Scriptures.

The Rev. Mr. Sinclair addressed the Council and stated that it was not his intention to give advice on the administration of the Council, that was the Council's business, but the principles of the Bible should be applied to very day life and the administration of the affairs of state. The more the principles of the Bible are followed the better will be the administration and an equality of legislation will be the result.

Moved by Councillor Henry, and seconded by Councillor Downey, W.F. and ordered.

That a vote of thanks be tendered to Judge Holmes for his services in administering the oath of office to the Warden elect, and for his interesting remarks, Also, to the Ministerial Association of Barrie for their services this afternoon, through their representatives, the Rev. Ex-Wardens Boys, Eplett, Woods, Glover, Gratrix and Banting being in the Council Chamber, and Mayor Craig of Barrie, they were invited by the Warden to seats on the dias.

Ex-Warden Glover stated that he still felt at home on the dias. He congratulated the Warden and wished him and the Council a prosperous and satisfactory year.

Ex-Warden Woods, stated that at his age a man should not be allowed to make a speech and he believed that he was the second oldest Ex-Warden of the County living to-day. He was satisfied the Warden would prove a credit to himself, his own Municipality and the County.

Ex-Warden Boys congratulated the Warden, and by his acquaintance and knowledge of him and of his force of character, knew that his decisions would be prompt and fair.

He liked to come to the Chamber, and renew the bond of union that was always satisfying in the County Council.

Ex-Warden Eplett expressed his pleasure at being present and meeting the Members of the Council. He was satisfied that the Council Warden Carlton would prove a very efficient Warden.

Ex-Warden Gratrix congratulated the Warden and recalled that he was his opponent when he was elected Warden, but although he was elected over him, Mr. Carlton was always his best friend.

Ex-Warden Banting was glad of the opportunity of saying a few words at the opening of the Session for 1932. It may be a hard year but he was satisfied that under Warden Carlton and the present Council would satisfactorily conduct the affairs of the County.

He would wish that the Legislation Committee memorialize the Ontario Legislature that a central place to conduct executions be provided. He referred to the recent execution in the County Gaol and the exaggerated and distorted reports that were sent to the Toronto papers by disappointed newspaper reporters. The Sheriff was carrying out instructions by not admitting any but only the necessary officials at the time of the execution.

Hon. Mr. Finlayson addressed the Council and outlined the condition in the Counties and Province in particular and the Dominion in general, and what was required and what was being done to relieve conditions.

All sources of revenue were reduced and expenditures had to be reduced accordingly.

He appeared before the Council to discuss the question of Highway expenditure and the amount the County was prepared to appropriate for such expenditure this year.

He recommended that the Council reduce expenditures this year on a sane and intelligent basis and relieve the tax payer as much as possible.

Mr. J.E. Jamieson, M.P.P. addressed the Council and stated that we had reached a period of extreme expenditure and a time when we had to reduce expenditure and retrench, and an effort should be made to reduce the tax bill to the taxpayer. However, the County had a certain capital investment and that investment had to be protected and it would be poor business to let it deteriorate.

He suggested that the Council make an estimate of expenditure and try and keep within that estimate.

The Warden assured the delegation that their suggestions would receive serious consideration.

Mr. Allan stated that the deputation represented an organization that was formed

in Innisfil Township called the Tax Reduction League. Individuals, Councils, ^{and} Governments had been spending rather freely and since the time of depression set in, it was seen that there had to be a reduction in expenditure and consequently a reduction in taxes.
