## Get to know Me

### I like it when you ....

- Look at me
- Listen to me
- Hold me
- Talk to me
- Watch me
- Respond to me

### No matter where we are:

- In the Bath tub
- when you're feeding me
- Waiting in line
- At the Park

### It is important because ....

- It helps me bond with you
- I like to hear your voice
- It Shows me that you care
