

# Let's Play Together...

Have Fun, Connect and Wonder, Pause and Wait

## My Stages of Play

Play develops in stages:

1. First I explore my toys
  - Mouthing
  - Touching
2. How they relate to one another
  - banging two objects together
  - taking objects out or putting them in
  - opening and closing
3. How to use them
  - pushing a toy car
  - turning pages in a book
  - building a tower with blocks
4. Then I learn to pretend
  - pretending to eat, brushing my hair
  - feeding the doll
  - washing the doll/stuffed animal
  - Put gas in the car and going through the drive thru

Play is my work and that's how I learn.  
Ps. I love it!
