

Are your students prepared for an emergency or disaster?

Help them to be ready by inviting the...

STEP

STudent **E**mergency **P**reparedness program into your classroom!

STEP IS A FREE EDUCATION PROGRAM FOR GRADE 5 CLASSES IN SIMCOE COUNTY

In a 1-hour classroom visit students will learn:

- How levels of government prepare for and respond to emergencies
- What types of emergencies to prepare for in Simcoe County
- How to create a family emergency plan
- What to include in an emergency kit
- What to do in specific emergencies
- When to use 9-1-1
- The impact that emergencies have on people, structures and the environment

FEATURES
