

COUNTY
FORESTS

Code of Conduct for County Forest Users

- Expect, respect, and communicate with other trail users
- Stay on the trail and obey trail closure signs
- All trails are multi-use: anticipate other users and use extra caution at intersections
- Keep to the right to allow other users to pass on your left
- Pets must be on a leash or under control
- Stoop and flick when pet waste is on the trail
- Avoid excessive noise
- Know your impact: do not use the trail if you are causing an imprint of more than 1”
- Leave the trail as you found it: whatever you pack in, pack out
- Respect neighbouring landowners by staying off private property
