

Family Council wishes you a warm welcome to Trillium Manor!

The goal of Family Council is to improve the quality of life, care, and independence for all Residents. This is achieved by promoting an atmosphere of sensitive caring and support among staff, friends, and family members.

We are an organized, self-led, self-determining, democratic group composed of family and friends of the Residents of Trillium Manor with the intent to give families and friends a forum for sharing their experiences, learning and exchanging information.

Here are some of the ways that Family Council enhances the Home:

- Facilitates communication and promotes partnerships with the Home, staff and residents
- Information and education (including guest speakers)
- Networking and social opportunities

Please consider coming to a meeting to see what it's all about!

Family Council meets at 1:30 on the 2nd Thursday Monthly
(July, August and December excluded)
