**County Road 1 (8th Line)
Wilcox Bridge Rehabilitation**

The County of Simcoe has awarded the contract to Alliance Verdi Civil Inc. for the County Road 1 (8th Line) Wilcox Bridge Rehabilitation.

The project involves repairs to the existing concrete bridge, barrier replacement, reconstruction of approximately 115 metres of road, including paving and installation of steel beam guide rail.

The construction and road staging is anticipated to commence on May 1, 2023 and is scheduled to be complete by the end of October 2023.

How will I get to My Residence or Business?

The contractor is required to maintain access to all homes and businesses throughout construction.

Regardless, pedestrian and emergency vehicle access to homes and businesses will be maintained at all times during construction.

The contractor will give prior notice of any access restrictions to any residence or business.

If you have any special needs for wheelchair access, please advise the Ainley Group.

Will My Services Be Affected?

Telephone, electrical, cable TV and gas services should not be affected by the construction, barring any unforeseen circumstances.

Safety

Construction involves the use of heavy equipment and the unavoidable creation of obstacles.

These circumstances are often attractive to children, and as such, we ask that you caution your children to stay clear of the working area.

While the contractor is required to conduct the work in a safe manner, we ask that you take extra caution during the construction period to ensure everyone's safety.

Who Do I Call If I Have a Problem?

The Ainley Group is the project Contract Administrator and Alliance Verdi Civil Inc. is the project construction Contractor. If you have any questions regarding the construction please call:
