He read a letter from the Commander of the schooner "Nancy", Lieutenant Commander Worsley to his father in Nova Scotia, dated some time in August, 1814. giving an account of the sinking of the "Nancy" and the blowing up of the block house which he had erected.

Mr. Snider stated that he would be pleased to see the "Nancy" raised and taken to the Toronto Exhibition Grounds and placed and housed there, but would much rather see it housed at the place where it had been sunk and history made therefrom.

The Ontario Government has pledged itself to raise the vessel and in his opinion would house it and then the County should look after and maintain it, which would involve some expense and which the Council should gladly contribute to.
