His Honour Judge Vance held special Court and administered the oath of office to the Warden elect.

Judge Vance asked the representatives of the Ministerial Association, of the Town of Barrio, to open the proceedings of the Session. The President of the Association, the Rev. Mr. Shortt of the Ministerial Association referred to the presence here of the Ministerial Association as an indication of the union of Church and State, but according to his experience and opinion there was usually no such usuion nor should there be.

He expressed the opinion that a more sympathic attitude between Members of our Legislatures and Councils might be an advantage to all, and in his opinion it would be to an advantage to have some Bibical teaching in our Public Schools.

The Rev. Mr. Whan offered prayer.

His Honour Judge Vance stated that all should feel better for the proceedings being opened by religous exercises.

He said that it was the Fourteenth time he had been called on to administer this oath of office, and at the present time only two or three of those present were here at that time. This is an indication of the changes that occur in the process of time.

He referred to the fact that most people failed to appreciate the services of public men but occasionally there would be an outburst of public feeling as in the case of the public honour conferred on the retiring Lieut-Governor of Ontario, H. Cockshutt, at the banques tendered him at the Collissum in Toronto, by the people of Ontario.

He referred to the increase in the work of the Council and officials and believed it indicated an advancement in our civilisation. People demanded better living and a better style of living then formerly as instanced by the Mothers'Allowances Act. The improvement in our charitable Institutions and the advanced System of education, improved roads and many other things. This means increased taxation and increased taxes, and he was glad to see men of ability offering themselves to carry on these works.

He then congratulated the Warden on his election and from his many years of experience he knew he had the necessary ability.

Moved by Councillor McCuaig and seconded by Councillor Creswicke and ordered.

That a vote of thanks be tendered his honour Judge Vance for his presence this afternoon to administer the oath of office to the Warden elect, and for his instructive address; also, to the Ministerial Association of Barrie, for their services this afternoon through their representatives the Rev. Mr. Shortt and the Rev. Mr. Whan.

The Warden briefly addressed the Council and stated it had always been his ambition to be the Warden of the County and expressed his appreciation to the "embers for his election. He asked them all for their corporation in the work of the County during the year.

The Warden asked Ex-Wardens W.A.Boys, M.P; G.L. Davis; C.H.Eplett; and Dr. J. D. Banting to seats on the diss.

Moved by Councillor Scott and seconded by Councillor Templemen, and ordered.

That the Warden be requested to appoint a Countities to make the Standing Committees for the year.

The Warden appointed Councillor A.H. Wilson, and the Reeves of all the Municipalities as such Committee. In the absence of the Reeve of Barrie he would appoint the list Deputy Reeve, D.F. McCuaig on the Committee.

Ex-Varden Davis congratulated the Warden on his election and stated he would feel himself well paid for the time he spent in Council work, through the education he would receive and the friendships and associations he would have. His Municipal work was a pleasant recollection for his time in the County Council.

In his opinion it would be advisable to have the Legislation enected to make the sleighs wider which would be an advantage in winter travelling. He trusted that the year 1957 would be one of universal prosperity.

Ex-Warden Eplett considered it an account to have a seat on the dias. He believed that the new Warden was quite capable of looking after the interests of the County. He wished the Warden and the Council all success in 1927.

Ex-Warden Banting stated he had seen fourteen or fifteen Wardens take the oath of effice and congratulated the Warden on his election and asked the Council to assist the Warden and do the work of the County well. He wished the Warden and the Council a bright and prosperous year.

Ex-Warden Boys M.P. joined with the others in congratulating the Warden on the distinction conferred on him by his associates. It was just twenty years ago since he was elected Warden and has spent many pleasant times with the Ambers.

Simcoe had the largest County Council innthe Province, but the larger the body the greater the distinction to be elected its head. He congratulated all the Members on their election and expressed the hope that the Council would observe economy throughout the year as expenditures were increased in all lines.

The Minutes of the last Meeting of the Council having been printed and distributed were taken as read.

Maved by Councillor McCuaig and Seconded by Councillor Creswicke and ordered.

That Councillor Lowe be granted leave of absence owing to the serious illness of his Mother.

Moved by Councillor Glover and seconded by Councillor Gratrix, and ordered. That the Council now in Session do adjourn until Wednesday at 10 a.m.
