That the Warden do appoint the County Engineer and such other members of
this Council as may be deemed necessary as a Special Committee to confer
with the representatives of the County of York regarding the painting of the steel
Bridge over the Holland River at Bradford with authority to have such painting
done if it is found to be necessary or advisable in the opinion of the representatives
of both Counties and that like steps be taken by the same Committee regarding
the Bridges over the Holland River between the Townships of Leamouth and King
The Warden appointed the County Engineer, Councillors Scanlon and Fleming as such Committee
Whereas Brigadier General Logie has made an appeal which reads as follows:-

A call for service

from Brig, - Gen. Logie

To the Citizens of Simcoe County

Speaking with authoritative knowledge of the immediate need for men I
make this appeal to the County of Simcoe. Simcoe's quota required to complete
its Battalions now authorized is 500 men. This County has never in its
history failed to rise to its full responsibility. Surely the Women, the Churches,
the Boards of Trade, the Canadian Clubs, and other Patriotic and Fraternal
Societies, and the business interests will, by one last united effort, give the men so
urgently needed.

Moved by Mr Robertson and seconded by Mr Simpson and ordered
That this County Council commends this appeal to the Citizens of the County
of Simcoe and urges all persons to do what can be done to assist in satisfying
the above urgent call

Moved by Mr Taylor and seconded by Mr Dutton and ordered
That the resolution passed by this Council on motion of Councillors Taylor
and Dutton be sealed by the Clerk and signed by the Warden and a certified
copy thereof forwarded to the Attorney General for Ontario

Moved by Mr Robertson and seconded by Mr Scott and ordered
That this Council do now adjourn and stand adjourned till Monday
November 20th then to meet in this Council Chamber at the hour of

2 O'clock in the afternoon

R. J. Hutton
County Clerk

James Infante
Warden
