Only 2 of the present members were here at that time. He referred to the presentation of the Photograph of the late Treasurer, Mr Daniel Sinclair. He had known him from boyhood and was satisfied the County never had a more capable conscientious or efficient official. Of very even temperament always the same under all conditions and through his long service and wide experience he saved the Council many dollars by his sound advice.

In Mr Coleman the County had secured a capable successor and was pleased to know that Mr Joe Jardine was appointed Governor of the House of Refuge.

He spoke of the threatened lawsuit arising out of an Automobile accident in the Township of Oro at Raikes Crossing on the ridge road which was of great importance from a judicial viewpoint. In it involved the question of what might be the necessary width of roadway and what was meant by the term sufficient railing. He would discuss the matter more fully before the Committee.

Mr E. E. Wright M.P.P. in addressing the Council recalled the time he was elected Warden in 1901. Very extraordinary circumstances occurred at that time. He was elected Warden by acclamation and although elected under the reign of Queen Victoria, the oath of office was taken under the reign of King Edward VII. Queen Victoria having died in the meantime thus fulfilling the old saying "The King is dead long live the King." He was glad to see his old colleague Mr Wellington Fisher of Quillia a member of the present Council. He spoke of the County Commission as being unsatisfactory for he, in representing the Town of Penetanguishene and the Townships of Lyle & Lillooet he had to discriminate against one or the other.

He also was a fellow member of the late Daniel Sinclair and was proud to bear the leadership of the late County Club. Col Rankin

As a member of the Legislature he would be pleased to assist the County Council in every possible way.  
 Moved by Councillor Coombs & seconded by Councillor Groves and ordered.

To Mrs. J.B. McPhee  
Barrie, Ontario

We the members and officials of the County Council of Simcoe in Session assembled desire to express to you and your family our very deepest sympathy in the sad bereavement that has befallen you in the loss of a loving husband and father.

The County has lost a splendid citizen one of the most loyal and true hearted Britishers, proved beyond doubt by the heroic part he played in the Great War.

We who knew him best are sorry that he was not spared to carry on, but God has willed otherwise and we can only hope that divine strength may be given you and yours to keep up and carry on as your dear departed husband would have us all do for his was a life of example to all men.

He was kind, courteous and manly and always fearless always ready to face any difficulty.

He was every inch a soldier and as a commanding officer he was loved and admired by his men. Just the kind of man the nation can ill afford to lose.
