MINUTES

Of the June Session of the Simcoe
County Council, 1933.

FIRST DAY

Council Chamber, Barrie,
June 12th, 1933.

The Council met pursuant to the adjournment at the January Session.

The Warden in the Chair.

All the Members present.

The Minutes of the last Meeting of the Council having been printed and distributed were taken as read.

The Warden addressed the Council and welcomed the Members to the June Session and regretted the illness which prevented Councilor Bard from being present.

Since the January Session, the Reeve of Coldwater, Mr. A.C. Robins, had resigned through pressure of business, and Charles E. Stevens was elected in his place and had filed his certificate of election and declaration of office.

He stated that there were signs of an improvement in economic conditions and the increased price of some farm commodities had the effect of producing a feeling of optimism among our citizens generally and he felt that the improvement would increase and be permanent.

He suggested that the Chairmen of the different Standing Committees and the County Treasurer and the Clerk be a Committee to get together and report on the amount necessary for this year's expenditure. He voiced the opinion that in the prosperous years sometime back the County raised scarcely the amount it should and it was difficult to reduce the levy at the present time owing to certain uncontrollable expenditure.

There was owing the County \$63,000.00 from four Municipalities for unpaid levy and the Council would be asked what was best to be done as a solution of this situation.

The Council would be asked to consider the equalized assessment of Port McNicoll and would suggest that the question be referred to the Standing Committee on Equalization.

He stated that the Warden's Outing would be held on Wednesday afternoon at Creemore and he extended an invitation to all the Members, the officials and their wives.
