

M I N U T E S
of the November Session, 1943, of the
Municipal Council of the
County of Simcoe

FIRST DAY

Council Chamber, Barrie,
November 22nd, 1943.

The Council met pursuant to adjournment at the June Session.

The Warden in the chair.

All the members were present except Councillor Lawrence and Wray.

The minutes of the June Session, having been printed and distributed, were taken as read.

The Warden addressed the Council and reported that Councillor Lawrence would not be present at this Session as he was quite ill. He was satisfied that all the members hoped for an early recovery.

He stated that the general outlook of the war was better than at the time of the June Session, but he advised everyone to not be too optimistic although he was looking for continued better war news as time goes by. He said that all branches of the service were giving a good account of themselves, and in this connection he was sorry to report that Councillor Curry had lost a son in Sicily. He extended the sympathy of the Council to the boy's parents and friends.

He was glad to report that the Fifth Victory Loan had been very successful over the whole County. In the five loans West Simcoe subscribed \$12,759,500 and East Simcoe \$9,804,650, making a total of \$22,564,150 for the whole County. He said this was an achievement of which we might justly feel proud.

The crops throughout the County were rather disappointing this year and there wouldn't be sufficient grain for feed, but the Agricultural War Production Committee would present a report on this subject later in the Session.

He stated that in the Alliston district a 500-bushel an Acre ^{Potato} Club had been organized and three farmers in that section had produced over 500 bushels per acre. This was a very creditable record and he doubted if it could be duplicated in any other part of the Province.

He was also glad to report that some fancy prices had been received by livestock producers in the County which shows that our farmers are doing their part in the war effort.

He requested the members to be punctual at all council and committee meetings and give their best attention to all the business placed before them.

Warden, County of Simcoe

SECOND DAY

Council Chamber, Barrie,
Nov. 23rd, 1943.

The Council met pursuant to adjournment from yesterday's session.

The Warden in the chair.

All the members were present except Councillors Lawrence and Wray.

The minutes of the last meeting of the Council were read and adopted.

The Warden presented the following communications and accounts:

Communication from the Toronto General Hospital re liability for the payment of the hospital account of one Edward Alexander, a civilian employee at Camp Borden.

Communication from the Superintendent of the Alliston Hospital re the payment of Mrs. John Chapman's hospital account.

W. R. McVittie, Public School Inspector, addressed the Council on the question of a Health Service for the Public Schools. He gave a report of this service in Oxford County and pointed out the advantages of such a service. He stated that the first procedure would be for the County Council to appoint a Health Committee which would have charge of this matter. There was some discussion with reference to authority over parents in having their children examined.

The Warden thanked Mr. McVittie for his report and assured him that the Council would very carefully consider his proposal.

Councillor Banting asked for an explanation as to why the trees on the in Essa Twp. Mystery Farm were being cut. He was informed by the Chairman of the Reforestation Committee that the trees were Scotch Pine which did not grow rapidly; it would take many years for them to be of any commercial value and he was informed that they would be replaced by other varieties of pine that had a much more rapid growth.

Moved by Councillor Clarke,
Seconded by Councillor McCracken, and ordered,

That the Finance Committee consider the advisability of confirming the appointment and salary of Miss Flora Graham in the Treasurer's office.

Moved by Councillor Beattie,
Seconded by Councillor Banting, and ordered,

That the Committee on Finance consider the advisability of taking such action as they deem advisable in connection with Unemployment Insurance.

Moved by Councillor Tudhope,
Seconded by Councillor Luck, and ordered,

That the Finance Committee confirm the purchase of the \$50,000 worth of bonds in the Fifth Victory Loan.

Moved by Councillor Asselin,
Seconded by Councillor McMaster, and ordered,

That the Standing Committee on Reforestation be requested to consider the

advisability of purchasing from Wm. Nightingale, Wyevale, the NE $\frac{1}{4}$ of Lot 21 Concession 3 Tiny Township for reforestation purposes.

Moved by Councillor Kidd,
Seconded by Councillor Middleton, and ordered,

That the County Road Committee consider the advisability of taking over the fourth line of Flos, from Fergusonvale west to the Sunnidale townline, connecting with Highway No. 26 at the airport, and that the road from Fergusonvale to Phepston be ploughed this winter.

Moved by Councillor Borrow,
Seconded by Councillor Curry, and ordered,

That the Roads & Bridges Committee consider the advisability of taking over as a County Road that portion of road, known as the Severn Falls Road, from County Road No. 17, on the Second Concession line of Matchedash Township, to Severn Falls, a distance of nine miles.

Moved by Councillor E. J. Evans,
Seconded by Councillor C. T. S. Evans, and ordered,

That the Committee on Roads & Bridges consider the advisability of building a bridge over the Holland River at a point where the fourth line of King Township, in York County, connects with a certain road in the Township of W. Gwillimbury. As this bridge would be on the boundary line between the Counties of Simcoe and York the two counties mentioned would be responsible for the building of the same.

Moved by Councillor Middleton,
Seconded by Councillor Brown, and ordered,

That the Finance Committee consider the advisability of making a grant to The Trustees and Ratepayers Association of the County to carry on their work.

Moved by Councillor E. J. Evans,
Seconded by Councillor Apperley, and ordered,

That the Committee on Reforestation consider the advisability of purchasing certain tracts of land from James Barry and Victor Turner in the Township of W. Gwillimbury.

Moved by Councillor Eplet, and ordered,
Seconded by Councillor Richardson, and ordered,

That the Standing Committee on Education be requested to consider the appointment of a Health Committee in the County.

Moved by Councillor Brown,
Seconded by Councillor Asselin,

That the Council go into Committee of the Whole to consider the advisability of establishing a purebred herd of dairy cattle and bacon hogs at the Simcoe County Home at Beeton.

The Warden declared the motion lost. by a show of hands of the members.

Nov. 23rd, 1943.

-3-

Moved by Councillor G. Patterson,
Seconded by Councillor Asselin, and ordered,

That the Council adjourn until 2 o'clock this afternoon.

AFTERNOON SESSION

The Council met pursuant to adjournment at the morning session.

The Warden in the chair.

The Warden explained that according to the report of the Special Centenary Committee, which was adopted by the Council, Mr. Smith, the architect, was present and would explain the proposed new entrance to the Court House. Mr. Smith explained his plans and presented a sketch on the proposed entrance.

Moved by Councillor Benson,
Seconded by Councillor Yeo,

That the Council go into Committee of the Whole to consider plans for the proposed entrance.

The Council accordingly went into Committee of the Whole with Councillor Banting in the chair. The Committee of the Whole arose and reported that they would recommend that the Council endorse the recommendation of the Special Centennial Memorial Committee, namely, that a memorial entrance be made to the Court House, and that the idea of having pictures depicting the history of Simcoe County be included by the Committee as part of the memorial, the same to be left in charge of the present Memorial Committee.

Moved by Councillor Banting,
Seconded by Councillor Buchanan, and ordered,

That the Report of the Committee of the Whole be adopted.

Major Mickleborough, Camp Borden, appeared before the Council and stated that there were a large number of civilians in the Alliston vicinity who worked at the camp. On different occasions last winter they were unable to reach the camp on account of the condition of the roads. He requested that these roads be kept snow ploughed and sanded this coming winter. Councillor Banting explained that these roads received first attention last winter but that on account of the ^{many and} extremely severe snow storms the roads weren't all that might be hoped for at all times.

County Engineer Jones explained that the first County Roads to be ploughed after a storm last winter were the ones in proximity to Camp Borden, but that the County was handicapped by the fact that Camp Borden pays higher wages for both men and trucks than the County can pay. Mr. Jones said he would give the matter the best attention possible.

Major Mickleborough stated he was satisfied that the County and the Camp could get together and work out a satisfactory solution.

Nov. 23rd, 1943.

-4-

J. F. Simmons, local representative of the Department of Lands & Forests, addressed the Council on the question of the cutting of trees that had been planted for reforestation purposes. Mr. Simmons explained that it had been found that Scotch Pine grow very slowly and that it was decided to replace them with Red Pine or other rapidly growing pine. On the Mystery Farm in Essa Township 6,000 of 100,000 trees planted have been cut and they will be replaced next spring. ←

Moved by Councillor E. Evans,
Seconded by Councillor Asselin, and ordered,

That the Council adjourn until 10 A.M. Wednesday.

J. Simpson
Clerk, County of Simcoe

D. E. Lockett
Warden, County of Simcoe

He also stated that between 5,000 and 6,000 Scotch Pines had been cut in Tossorontio Township, and that the money received from the sale of these trees would be credited by the Department to the County of Simcoe.

THIRD DAY

Council Chamber, Barrie,
Nov. 24th, 1943.

The Council met pursuant to adjournment at yesterday's session.

The Warden in the chair.

All the members were present except Councillor Lawrence.

The minutes of the last meeting of the Council were read and adopted.

The Warden explained that a deputation from Flos Township wished to be heard by the Council, and he asked Deputy-Reeve Kidd to introduce the deputation. Mr. Father Doyle, Kidd introduced the deputation composed of, David J. Kenney, Pat Donovan, P. A. Coughlin, Gerald Shanahan, Michael Kenney, Earl Wanless, Frank Hamill and Hugh Sexton.

Father Doyle addressed the Council and requested that the fourth concession of the Township of Flos be taken over as part of the County Road System. He stated that Phelpston, situated on this road, had a population of one hundred, and last winter at times it was impossible for them to get out and for doctors and others to get in. He made a strong plea that this road be taken over as part of the County Road System. The other members of the deputation endorsed Father Doyle's statements, and P. A. Coughlin, a former Deputy-Reeve of Flos, stated that this had been a County Road until 15 or 16 years ago when it had been taken off the System.

The Warden thanked the deputation and assured them that their request would receive the careful consideration of the Council.

David Smith appeared before the Council and presented a short report on the County Library Association. He stated that the work of the Association had grown so rapidly that Miss McPhee, the Barrie librarian, who had charge of the work, couldn't look after it. In order to give the best service to the County it was decided to engage a full-time librarian, and accordingly Miss Alberta Letts, who had good recommendations from Middlesex County, was engaged. Mr. Smith introduced Miss Letts who said she was pleased to meet the members of the County Council and report on her work since coming to the County two or three months ago. She stated that at the present time there are sixteen libraries in the County and two new ones anticipating becoming members shortly. There are still some parts of the County, particularly in the northern end of it, that aren't served with a library, but Miss Letts said she hoped to see the work extend so that in a short time the service of the County Library Association would be available to everyone in the County. She said she would be

pleased to give any information she could to the members of the Council at any time. The Warden stated the Council were glad to meet Miss Letts, and thanked her for her report and wished her every success.
REPORT NO. 1 -- of the Standing Committee on Finance was presented and read.
Moved by Councillor Harvey,
Seconded by Councillor Simpson, and ordered,

That the Report now read be adopted.

That the Report now read be adopted.

REPORT NO. 1 -- of the Standing Committee on Agriculture was presented and read.

Moved by Councillor Simpson,
Seconded by Councillor Horne, and ordered,

That the Report now read be adopted.

REPORT NO. 1 -- of the Special County Road Committee was presented and read.

Moved by Councillor Buchanan,
Seconded by Councillor Borrow,

That the Report now read be adopted.

Councillor Benson, Reeve of Penetanguishene, stated that in looking over the list of roads to be improved and bridges to be built under the Five-Year Post War Plan he did not see Copeland's Bridge which is on a connecting link between the Town of Penetanguishene and the County Road in Tiny Township. The County Engineer explained that this bridge isn't on a County Road and accordingly it wasn't included in the list of roads or bridges to be taken care of, but he fully expected that the cost of it's construction would be looked after jointly by the Town of Penetanguishene, the Township of Tiny, the County and the Highways Department. The Engineer stated that the amounts named for the different roads and bridges mentioned in the report were only estimates as both wages and the price of material might change very greatly before the work is done. He further stated that some of the bridges mentioned in the report only needed new abutments, while in other places it would be necessary to erect new bridges. The Report was then declared adopted.

In referring to the report of the Memorial Centenary Committee on a County Scholarship the Warden explained that Ex-Warden C. D. Stewart and A. B. Cockburn of the Collegiate Institute staff expressed the desire to attend the November Session of the County Council to give any explanation that might be required in this connection,

Nov. 24th, 1943.

and with the approval of the Council they would be invited to the session on Thursday morning.

Moved by Councillor F. Patterson,
Seconded by Councillor McLean, and ordered,

That the Legislation Committee consider the advisability of bringing in a report to the Council recommending that a Resident Magistrate for Collingwood and vicinity be appointed.

Moved by Councillor Brack,
Seconded by Councillor Brown, and ordered,

That the Road & Bridge Committee consider the advisability of taking over the 8th Concession of Nottawasaga Township as a connecting link between County Road No. 14 and No. 9, a distance of about four miles.

Moved by Councillor C. Evans,
Seconded by Councillor Harvey, and ordered,

That the Contingent Committee arrange for individual photographs of the Council members and County officials.

Moved by Councillor Eplett,
Seconded by Councillor Harvey, and ordered,

That the Council adjourn until 10 A.M. Thursday.

Seconded by Councillor Widdis, and ordered,

That the Report now read be adopted.

Councillor Carlton reported for the Contingent Committee that a certain photographer had offered to take a picture of each member of the Council for \$75.00. This matter was left in the hands of the Contingent Committee.

REPORT NO. 1 -- of the Special Agricultural War Production Committee was presented and read.

Moved by Councillor Banting,
Seconded by Councillor Buchanan, and ordered,

That the Report now read be adopted.

Councillor E. J. Evans informed the Council that there were complaints about excessive speeding on the County Roads, and asked if the County Road Committee had considered placing policemen on these roads. It was pointed out that such policemen would have to be in uniform. Councillor Banting stated that the County Road Committee had considered this matter but had not taken any action on account of the cost. Councillor Asselin stated that excessive loading of trucks at certain seasons of the year was more destructive on roads than speeding.

Messrs. F. A. Lashley and S. L. Page, agricultural representatives for South and North Simcoe, reported on the work carried on this year in their respective areas.

Mr. Lashley stated that the grain crops in South Simcoe were the poorest harvested there in ten or fifteen years, and that the wet spring and late seeding were the greatest contributing factors. The hay, root and potato crops were good, although in some sections the bacterial ring-rot had affected the potatoes. As this disease was contagious the potatoes from affected fields were not allowed to be used for seed, but a supply of potatoes for planting next year was secured from the Lafontaine district in Tiny Township where the crops were free from disease. He said the poor grain crop would be reflected in certain lines of livestock production, especially hogs. Field crop tests were being carried on and tests made with new varieties of grains; improvements were also being made in production and grades of red clover seed. Mr. Lashley further stated that soil erosion was increasing rapidly on hillsides and soils on sloping ground, and that he would like to see a survey made of the soil in the County; it would be conducted by the Agricultural College at Guelph and would not cost the County very much. Mr. Lashley recommended that the Agricultural Committee undertake this project.

Nov. 25th, 1943.

-3-

He stated that much useful work had been accomplished in the Junior Farmer activities in Boys and Girls Clubs, and the judging teams had made a very creditable showing. In this connection he said the grants from the County were of great assistance and were much appreciated. He referred to the farm labour problem which still existed although in many cases the assistance of boys and girls from the cities and towns and soldiers, particularly in the harvesting of fruits and vegetables, accomplished a lot. He also referred to the assistance given by the Farm Commando Brigades. Farmers' sons who were given military exemption because they were working on farms were allowed to engage in bush work or work in packing houses during the winter, provided they returned to farm work again when wanted.

Mr. Page stated that the work in the Agricultural Office had increased rapidly in recent years and was still increasing; the County committees were giving valuable assistance and they were all co-operating with the Departments. He said the results of the boys' and girls' work in North Simcoe had been quite satisfactory, and that out of a total of 76 members 57 projects had been completed. The Penetanguishene Swine Club, most of whose members were from the Perkinsfield section in Tiny Township, was very successful. There were 90 school girls who planted and cared for Victory Gardens, and the judges reported that all but four of them had creditable gardens. He referred to the problem of securing sufficient seed grain of satisfactory quality for 1944, but stated that a recent survey showed that there would be a sufficient supply if all the available grain could be used for seed purposes. According to a questionnaire sent out to the grain dealers in the County, 25% of whom had replied to date, there would be sufficient grain for seeding purposes. On account of the shortage of local coarse grains for feeding purposes a large number of brood sows had been marketed, although surveys showed that beef cattle were about normal and dairy cattle were holding up fairly well. Mr. Page stated that a survey also showed that a sufficient quantity of seed potatoes would be available for 1944 in Tiny, Flos, Oro and Medonte where 37,000 bushels of Certified No. 1 potatoes and a quantity of two grades better than No. 1 had been grown. The Farm Mechanics Course conducted last year had proved very satisfactory, and it was decided that they be held again this year and reach centres that weren't touched last year. He stated that arrangements were being made for community meetings in thirty different centres to convey to farmers the benefit of the agricultural offices. Mr. Page strongly recommended that all farmers' sons, who were needed on the farms for the winter, remain there; but if they could be spared for bush work or to work in packing plants they might go there for the winter, and by returning to the farm next spring their military exemption could be extended.

The Warden thanked the agricultural representatives for their very complete reports.

Nov. 25th, 1943.

Messrs. C. D. Stewart and A. B. Cockburn addressed the Council on the subject of a scholarship for High School Entrance pupils on examinations on the early history of Simcoe County.

Mr. Stewart stated that the knowledge of the early history of the County was being forgotten on account of the older residents passing on, and it was important that the younger generation be taught and given instruction on its early history. It was reported that the Public School Inspectors were of the opinion there would be no difficulty in conducting the necessary examinations. He stated that the idea of limiting the project to ten years, with the possibility of it being renewed, seemed advisable, and the principal fund would always be an asset to the County. Mr. Stewart suggested that the question be left in the hands of the Committee with the privilege of changing the plans for the scholarship each year. He also suggested that a contribution be made to the Barrie Collegiate Institute which is establishing a University Scholarship for deserving and needy students. The Collegiate is also celebrating its centennial.

Mr. Cockburn of the Barrie Collegiate staff and chairman of its Scholarship Committee strongly endorsed the historical scholarship which would extend to and benefit all parts of the County. The fact that the pupils would discuss at home what they were taught in school would be a great educating factor. Mr. Cockburn endorsed Mr. Stewart's statements and made a strong plea for assistance from the County for a collegiate scholarship, as it would benefit needy students. The Report of the Special Centennial Memorial Committee, which was laid on the table Moved by Councillor Hartman, at a former session, was then adopted. Seconded by Councillor House, and ordered,

That the Legislation Committee consider recommending to the Attorney General that a resident magistrate be appointed for the Town of Midland and surrounding district.

Moved by Councillor Asselin,
Seconded by Councillor Benson, and ordered,

That the Committee on Railways & Canals consider taking action to remedy the inadequate services now being furnished by the Canadian National Railways to residents of Tiny, Flos and Vespra Townships, and the Town of Penetanguishene.

Moved by Councillor Borrow,
Seconded by Councillor Horne, and ordered,

That the Committee on Reforestation consider the advisability of purchasing a block of land in the fifth and sixth concessions of Matchedash Township, also an adjoining block in Orillia Township, to be planted with pine as post war work.

Moved by Councillor McCracken,
Seconded by Councillor W. H. Patterson, and ordered,

That the County Road Committee consider the advisability of ploughing the

road from Everett west to the school, a distance of about one mile.

Moved by Councillor C. T. S. Evans,
Seconded by Councillor Simpson, and ordered,

WHEREAS the County of Simcoe in its Centennial Year can point with pride to the development of the County and its many worthwhile achievements and a great deal of outstanding progress, which this Council wishes to acknowledge; yet in one major respect we find, at the end of one hundred years, the natural fertility of the soil in many parts of the County has been depleted to an alarming extent with a considerable acreage already deteriorated beyond any usefulness as farm land and other large areas moving rapidly in that direction,

IT IS HEREBY requested that the Warden appoint a small committee to make a preliminary investigation and report on a Post War Soil Conservation and Land Utilization Programme for the County of Simcoe and report at the next Session.

Moved by Councillor Richardson,
Seconded by Councillor Eplett, and ordered,

That Councillor Cumming be granted leave of absence to-day as he is attending a farmers' meeting in Toronto.

Moved by Councillor Banting,
Seconded by Councillor Buchanan,

That the Simcoe County Home Committee consider the advisability of providing some hospitalization accommodation in the Simcoe County Home.

After considerable discussion the motion was declared lost on a show of hands.

Moved by Councillor E. J. Evans,
Seconded by Councillor Benson, and ordered,

That the address presented to His Worship the Warden at the banquet given in his honour last evening be embodied in the proceedings of this Session.

Address to Warden Orville Todd at the closing Session of the County Council,

November 24th, 1943.

We, the Officials and Members of Simcoe County Council, sensitively feeling an impulse which under the precedency of custom, warmly animates us to the anxious desire of addressing our esteemed and worthy Warden, with expression of the highest sense and satisfaction of the assistance you have so courteously and untiringly rendered our body, in the present arduous management of our affairs, and in promoting the welfare and prosperity of Simcoe County. We are unanimously impressed with the lively admiration of your conduct as Warden and Chairman of our Assembly. We return you our most sincere thanks for your exertions and the patience, urbanity and dignity which you have displayed in all our debates, and we trust you will accept our best acknowledgment for the gentlemanly and affable demeanour with which you have

FIFTH DAY

Council Chamber, Barrie,
Nov. 26th, 1943.

The Council met pursuant to adjournment at yesterday's session.

The Warden in the chair.

All the members were present except Councillors Lawrence and Wray.

The minutes of the previous session were read and adopted.

The Warden presented the following communications:

Report of the Wardens' Meeting in Toronto, called by the Minister of Agriculture.

Expression of thanks to the Warden and members of the Council from Mrs. C. C.

Begg and family, Collingwood.

REPORT NO. 1 -- of the Standing Committee on Legislation was presented and read.

Moved by Councillor Beattie,
Seconded by Councillor Brack, and ordered,

That the Report now read be adopted.

REPORT NO. 2 -- of the Standing Committee on Agriculture was presented and read.

Moved by Councillor Miller,
Seconded by Councillor Apperley,

That the Report now read be adopted.

There was considerable discussion on this report and the price of Timothy and Clover Seed, and the general opinion was that the ceiling price of these seeds at the present time was not high enough, especially when compared with the prices farmers would have to pay in the spring.

The motion was declared carried.

REPORT NO. 3 -- of the Standing Committee on Reforestation was presented and read.

Moved by Councillor McMaster,
Seconded by Councillor Tudhope, and ordered,

That the Report now read be adopted.

Under enquiries Councillor Asselin stated that he had been appointed on the executive of the Children's Aid Society this year and had attended various meetings. These meetings were always held in the evening and he said that one did not always feel like driving sixty miles to attend such a meeting, especially after doing a hard day's work, and he wondered if the meetings couldn't be arranged for Wednesday ^{afternoon} when there was a half holiday and the places of business were closed. He further stated he didn't mind the time taken attending these meetings, for he had received a lot of information about the administration of the Society, but he thought any out-of-town member of the executive should be allowed his travelling expenses.

The Warden stated that at a previous meeting he had been instructed to appoint a committee to make a soil survey of certain lands in the County; he said he would

appoint the following members to this committee as he thought they were fairly representative:- Councillors Simpson, Cumming, Borrow, Barker and C. T. S. Evans.

Moved by Councillor C. Evans,
Seconded by Councillor Harvey, and ordered,

That the County Council establish a Simcoe County Centenary Historical Scholarship of \$300.00 a year for ten years, to encourage a wider knowledge and familiarity with the history of Simcoe County, and the administration of such scholarship fund to be as outlined in the petition presented to the Council.

Moved by Councillor Banting,
Seconded by Councillor Brown, and ordered,

That the Clerk be instructed to write to the Department of National Defense requesting that Rev. A. W. Downer, M.P.P., be granted leave of absence to enable him to attend the Session of Parliament.

Moved by Councillor G. Patterson,
Seconded by Councillor E. J. Evans, and ordered,

That the Clerk be instructed to send a suitable letter to the Women's Auxiliary of Trinity Anglican Church, thanking them for the excellent dinner which they provided for the Simcoe County Council at their closing banquet on Nov. 24th, 1943, as well as to Mrs. Stewart Page and W. R. McVittie.

Moved by Councillor G. Patterson,
Seconded by Councillor Barker, and ordered,

That the Centennial Memorial Committee be authorized to investigate the possibility of bringing the history of Simcoe County up to date, from the time of Hunter's edition of 1908, and bring in a report at the January Session, 1944.

Moved by Councillor Simpson,
Seconded by Councillor Gowanlock, and ordered,

That His Worship the Warden, the Chairman of the Finance Committee and the County Treasurer be a committee to take up with the bank the matter of interest being paid to the bank on overdrafts caused by the purchase of Victory Bonds, and report to the Council this afternoon.

Moved by Councillor Buchanan,
Seconded by Councillor Banting, and ordered,

That the Council adjourn until 4 o'clock this afternoon.

AFTERNOON SESSION

The Council met pursuant to adjournment from the morning session.

REPORT NO. 5 -- of the Standing Committee on Finance, and the accompanying By-Law, were presented and read.

Moved by Councillor Miller,
Seconded by Councillor Wood, and ordered,

That the Report now read be adopted and that the By-Law presented herewith

REPORT NO. 3 -- of the Standing Committee on Roads & Bridges was presented and read.

Moved by Councillor F. Patterson,
Seconded by Councillor Grant, and ordered,

That the Report now read be adopted.

REPORT NO. 4 -- of the Standing Committee on Roads & Bridges was presented and read.

Moved by Councillor Horne,
Seconded by Councillor Gowanlock, and ordered,

That the Report now read be adopted.

Moved by Councillor Benson,
Seconded by Councillor Middleton, and ordered,

That a committee be appointed by the Warden to interview the Superintendent of the C.N.R. regarding passenger train service on the branch of the C.N.R. between Barrie and Penetanguishene, and to take further action should such interview be unsatisfactory.

The Warden appointed the following members as such committee:- W. R. Benson, Reeve of Penetanguishene, M. Asselin, Reeve of Tiny Twp., Perkinsfield, W. Middleton, Reeve of Flos Twp., Elmvale, and A. Cumming, Reeve of Vespra Twp., R. R. Barrie.

The Warden stated that the request for a grant to the Barrie Collegiate Institute Memorial Fund had not been reported on, and although this was the last day of the session the grant had been asked for at a previous session.

Moved by Councillor Simpson,
Seconded by Councillor Clark, and ordered,

That Rule 66 be suspended in the matter of discussing a grant to the Barrie Collegiate Memorial Fund.

Moved by Councillor Clark,
Seconded by Councillor Buchanan,

That the sum of \$250.00 be given as a grant to the Barrie Collegiate Scholarship Fund.

The Warden declared the motion carried.

Before adjournment the Warden thanked the members for their assistance and co-operation during the Session, and in closing his year he was satisfied he had the confidence of all. He said this year completed one hundred years of County Council administration in Simcoe and that much progress had been made and many changes taken place during that time. He did not know what conditions would be at the end of another hundred years, but he trusted his successors would be given the same support that was given him.

Moved by Councillor G. Patterson, seconded by Councillor Asselin, and ordered,

That the Council adjourn sine die.
